

Author Cards

Have you ever noticed that there are a lot of baseball card clones nowadays? Baseball cards have led to football cards, basketball cards, Pokemon cards, even ROCK STAR cards!

What if the library had cards for authors?

For example:

J.K Rowling

Margaret Peterson Haddix

Michael Buckley

What you will do...

1. You will create an author card that contains the following:

- * picture of the author
- * biographical information (Name, Date of Birth, Hometown, Family)
- * list of books that the author wrote
- * brief description of your favorite title by that author
- * why you like that particular title or author

Resources:

Go to Mrs. Boyce's Page and hover over on "ELA."

Scroll down to "Reading."

Click on "Favorite Authors."

2. The Steps:

Step 1: Read a book written by an author you like.

Step 2: Research the author. You will need the following information:

- a picture of the author
- biographical information (Name, Date of Birth, Hometown, Family)
- list of books that the author wrote

Step 3: Save the author picture onto your camera roll.

- If your picture is on the internet, do a touch and press on the picture and choose "Save Image As." Save it.

Step 4: Create your card using Pages or another program.

- Front of the card should include the picture of the author, biographical information, and a list of some of the books that the author wrote.
- Back of the card should include a brief description of your favorite title by that author and why you like that particular title or author.

Step 5: Print your card out, fold it in half and trim it. Turn it in.

EXTRA Step 6: (ONLY for students looking for a real challenge)
Make a QR Code to attach to the book that you read. Mrs. Boyce will tell you how to do it!

Congratulations! You have completed your assignment!
